Purpose of the Variance is to permit the enlargement of an existing barn. The proposal requires relief from Section 6.2(e) and the Minimum Distance Separation (MDS), of the by-law which requires a setback of 9m from a side lot line.

Approval of this application would provide relief from the by-law to permit the enlargement of a barn by providing for a reduction in the side yard setback from 15m to 5.2m which is the existing barn setback and waiving the MDS required setback of 9m m to the 5.2m to match the existing barn.

No other related Planning Applications have been received for this property.

You are entitled to attend the hearing virtually at this time or to be represented by an agent to express your views on the merits of this application. You may also forward a letter with your views to the Committee. If you do not attend the hearing or send correspondence regarding this file, the Committee will proceed in your absence and you are not entitled to any further notice of the proceedings.

Please note that all submissions will become part of the public record in their entirety and may be posted to Southgate's website.

A copy of the Notice of Decision will be sent to the applicant and each person who appeared or was represented by an agent at the hearing **and** who has filed a written request for notice of the decision.
