The Developer shall indemnify and save harmless the Township and its servants, agents and employees from all actions, causes of actions, suits, claims and demands whatsoever which may arise directly or indirectly by reason of the design, installation, construction, operation or existence of any of the Required External Services required under this Agreement, save and except for any actions, causes of actions, suits, claims or demands that arise in whole or in part by reason of the negligence or willful acts or omissions of the Township, its servants, agents or employees or those for whom any of them are responsible at law.

4.5 Failure to Comply

In the event that the Developer fails to install the Required External Services as and when required by the Township's Engineers or having commenced to install the Required External Services, fails or neglects to proceed with reasonable speed or, in the event that the Required External Services are not being installed according to the specifications and requirements of the Township and of this Agreement, in addition to any other remedy the Township may have, upon the Township's Engineers giving at least five (5) business days' written notice by prepaid registered mail to the Developer and following the expiry of such five (5) business day period the Developer failing to take any action to remedy the matters set out in such notice, the Township may, but is not obligated to, without further notice, draw upon the Letter of Credit referred to in Section 6.2 for the estimated cost of the works and enter upon the Lands and proceed to supply all materials and to do all necessary works in connection with the installation of the Required External Services, including the repair or reconstruction of faulty work and the replacement of materials not in accordance with the Specifications, and to charge the cost thereof, including engineering services, to the Developer. In the event that the Letter of Credit is not sufficient to cover such costs, the Developer shall pay the deficit upon demand by the Township and the deficit shall be a charge upon the Lands until paid save for any lands which shall now or hereafter be deeded or dedicated to the Township or any other public authority. Such entry by the Township shall be as agent for the Developer and shall not be deemed, for any purposes whatsoever, as an acceptance or assumption of the Required External Services by the Township. If the delay is caused by a strike, lockout, labour disturbance, Act of God or similar occurrence, the Developer shall be deemed not to be in default under this Section until a reasonable time after such occurrence. In the event that a claim is made against the Township under the Construction Lien Act in respect of work that is done or to be done by the Developer pursuant to this Agreement, in addition to any other remedy the Township may have, upon the Township's Engineers giving 48 hours written notice by prepaid registered mail to the Developer, the Township may, without further notice, draw upon the Letter of Credit referred to in Section 6.2 for the amount of the claim plus security for costs as provided for in s.44 of the Construction Lien Act, as may be amended.

4.6 Emergency Repairs

At any time prior to the assumption of the Required External Services by the Township, if any of the Required External Services provided by the Developer do not function properly and, in the reasonable opinion of the Township's Engineers, repairs are necessary immediately to prevent damage or hardship to any persons or any property, the Township may, but is not obligated to, make whatever repairs may be deemed necessary and the Developer shall pay to the Township, immediately upon receipt of a written demand, all expenses including engineering fees, based upon the cost of the work, incurred in making the said repairs. Such repairs shall not be deemed

an acceptance of the Required External Services by the Township or an assumption by the Township of any liability in connection therewith and shall not release the Developer from any of its obligations under this Agreement.

4.7 Applicable Laws

The Developer agrees:

- a) to comply with all statutes, laws, by-laws, regulations, ordinances, orders and requirements of governmental or other public authorities having jurisdiction at any time and from time to time in force ("Applicable Laws") in constructing and installing the Required External Services and, without limiting the foregoing, to comply with, and cause to be complied with, the provisions of the Occupational Health and Safety Act, the Environmental Protection Act and the Ontario Water Resources Act and any regulations, policies and guidelines relating thereto, including all obligations of the constructor and employer under the Occupational Health and Safety Act and regulations as applicable, and any obligation to obtain any approval or permit required under the Environmental Protection Act or the Ontario Water Resources Act or any regulations, policies and guideline relating thereto; and
- b) to do, cause to be done or refrain from doing any act or thing as directed by the Township or the Township's Engineers if at any time the Township or the Township's Engineers considers that any situation or condition is unsafe, damaging to the environment or contrary to the provisions of any Applicable Laws and that if, within five (5) business days of receipt of such direction from the Township's Engineers, the Developer fails to comply with such direction or commence to comply with such direction in the event that such direction is incapable of being complied with within the five (5) business day period, the Township may take action to remedy the situation at the expense of the Developer and in this regard the Township shall also be entitled to draw upon the Letter of Credit referred to in Section 6.2, provided that if any delay in the Developer's compliance is caused by a strike, lockout, labour disturbance, Act of God or similar occurrence, the Developer shall be deemed not to be in default under this Section until a reasonable time after such occurrence.

4.8 General Liability Insurance Policy

- a) to take out and keep in force comprehensive general liability insurance against claims for personal injury, death or property damage resulting from any accident or occurrence relating to the Required External Services;

- c) that such policy shall be kept in full force and effect until all of the Required External Services have been assumed by the Township and shall comply with the following provisions:

- i. the minimum limit shall be \$5,000,000, all inclusive, for property damage and personal liability;
- ii. it shall not contain a clause for exclusion for blasting;
- iii. the premium must be paid initially for a period of one year and the policy shall be renewed for further one-year periods until all Required External Services are installed and assumed by the Township;
- iv. if the policy contains a deductible clause, the Developer agrees to deposit a certified cheque or a Letter of Credit with the Township in the deductible amount, as a deposit, together with a letter from the Developer authorizing the Township to appoint an independent adjuster and to investigate claims less than the deductible amount and authorizing the Township to pay such claims determined to be valid by the adjuster out of the said deposit. The Developer is responsible for all adjustment service costs and shall maintain the deposits in the amount of the deductible;
- v. the policy shall provide for cross-liability and severability of interest protecting the Township against claims by the Developer as if they were separately insured and providing that the Township shall be insured notwithstanding any breach of any condition in the policy by any other insured; and
- vi. the policy shall provide that the insurer shall not cancel or refuse to renew it without first giving the Township at least sixty (60) days prior written notice.

4.9 No Relief

The issuance of such policy of insurance shall not be construed as relieving the Developer from responsibility for other or larger claims, if any, for which the Developer is or may be liable under this Agreement or at law.

4.10 Notice of Cancellation

If the Township receives notice from the insurer that it has cancelled or refused to renew the insurance, or that it intends to do so, or if the Township otherwise determines that the insurance has lapsed or is about to lapse without renewal or replacement, the Township may, at the sole cost and expense of the Developer, obtain insurance in accordance with this section. In such circumstances, the Township shall be entitled to obtain new insurance or add the necessary insurance coverage to the Township's blanket insurance. The Developer shall forthwith, upon receipt of written notice therefore from the Township, reimburse the Township for the cost of such insurance payable as noted above. In addition, the Township shall, at its sole discretion and option, be entitled to draw upon the Letter of Credit referred to in Section 6.1 to cover the costs of the insurance.

5. Agreement to Reimburse Developer for Services

The Parties acknowledge that there is an agreement for the Township to reimburse the Developer for certain aspects of the Required External Services in accordance with the ***Required External Services and Cost Sharing*** table set out in Schedule B, attached hereto. Reimbursement will be made when the Required External Services have been completed to the satisfaction of the Township, in its sole discretion. Reimbursement will be in a form of credit toward the Developer's building permit fee and/or development charge payment of the Lands.

The Developer agrees to provide the Township with proof of the actual cost of the Required External Services as soon as it is available. The Township will review the actual costs and if the

Township is satisfied with the actual costs, acting reasonably, the costs in the Required External Services and Cost Sharing will be adjusted accordingly.

6. Securities

6.1 Type and amount of security

The Developer shall deposit with the Township cash, or an irrevocable standby letter of credit from a Canadian chartered bank acceptable to the Township and in a form approved by the Township based upon Form 2 attached to this Agreement [the “security”] to secure and guarantee to the Township due performance of the Developer’s obligations under this Agreement and the security shall be in an amount equal to either:

- One hundred (100%) of the cost of Required External Services based on the Total Estimated Cost of such services as outlined in Column 1 on Schedule “B” including all applicable taxes, engineering fees, Township costs and contingency allowances. This amount is applicable if none of the Required External Services have been constructed and accepted/approved by the Township.; or
- If a portion of the Required External Services have been constructed and accepted/approved by the Township, the security amount will be equal to one hundred and fifteen (115%) percent of the cost of work remaining to be completed plus ten (10%) percent of the completed work costs, as estimated by the Developer’s Engineers and verified by the Township Engineer, for all of the Required External Services based on the Total Estimated Cost of such services as outlined in Column 1 on Schedule “B” including all applicable taxes, engineering fees, Township costs and contingency allowances;

as the case may be.

In the event that a letter of credit is provided then the Township shall be named as beneficiary/secured party therein.

6.2 Reduction of security

The security shall remain in place until the Required External Services have been completed to the satisfaction of the Township in its sole opinion.

6.3 Authority to draw upon security

The Developer specifically authorizes the Treasurer of the Township to draw upon the security provided pursuant this Agreement and to use such monies to pay for any costs or expenses incurred by the Township including without limitation costs or expenses arising from damages or deficiencies caused by the Developer or the Developer’s contractors or agents, successors or assigns, in connection with or relating to the development governed by this Agreement and/or to satisfy any financial obligation or other obligation of the Developer to the Township pursuant to the terms of this Agreement when due.

6.5 Stop Work Order

If the Township makes a demand for additional security or Letter of Credit pursuant to the provision of this Agreement, or if the Township has drawn upon the security or Letter of Credit pursuant to

his Agreement, and the Developer has failed to deposit such additional security or Letter of Credit with the Township within fourteen (14) days or to replenish such security or Letter

of Credit within (14) days, the Developer shall be deemed to be in breach of this agreement and the Township may issue a stop work order.

7. Amendments to DC By-law and Adjustments to Repayments or Credits

The Developer has proposed, and the Township has accepted that the Developer shall delay its entitlement to repayments or credits for growth related costs from the Township's development charge reserves as well as any other repayments it would receive from fees and charges that the Township may collect in relation to the Required External Services until six (6) months following the time of issuance of a building permit for the first unit that is not a model home, and to be paid bi-annually thereafter to the Developer.

The Township may, but is not required to, amend the DC By-law at a future date to incorporate the "As Constructed" costs for the applicable Required External Services and shall adjust the amount of the credit or repayment being assigned by Developer to the Township based upon the final applicable figures incorporated in such amended DC By-law.

8. Recovery of Costs

8.1 Off-site Water and Wastewater Infrastructure

(i) In the event that all or any part of the lots fronting onto municipal Streets is developed and utilizes the Required External Services constructed and paid for by the Developer, the Township, so far as it is legally empowered to do so and subject to provisions herein, will use reasonable efforts to charge the Developed Lot Owner a Street Frontage Charge as a requirement or condition of development approval. Upon receipt of the Street Frontage Charge, the Township will forward same to the Developer.

(ii) The Developer agrees to provide the Township with proof of the actual cost of the Required External Services as soon as it is available. The Township will review the actual costs and recalculate the Proportionate Contribution fee based on the same formula used in Schedule "B" attached hereto.

(iii) The Developer acknowledges and accepts the risk that the Required External Services are not contained in any special area development charge and, therefore, the Township cannot provide the Developer any assurance that the Developer will recover any of the fee from the Benefiting Owners. The Township does, however, agree to make reasonable efforts to make such recoveries.

(iv) In the event that, for any reason whatsoever, including but not limited to administrative oversight, advertence or in advertence or negligence, the Township does not impose the fee as a requirement of condition of development approval or does not collect fee in respect of some or all of the Benefiting Area, the Developer agrees that the Township assumes no liability whatsoever for the cost of the works and shall have no obligation to reimburse the Developer for any expenses incurred by the Owner for which a fee from any Benefiting Area was not received. The Developer further covenants and agrees that it shall have no claim whatsoever in law or equity, and shall not institute any proceedings whatsoever against the

Township for any failure by the Township to impose or collect fee from any or all of the Benefiting Owners.

(v) The Developer agrees and acknowledges that the Town's obligations with respect to this paragraph 8 shall expire on the date which is five (5) years from the date of the Effective Date.

9. Registration on Title

The Developer acknowledges that the covenants herein contained shall be considered covenants that run with the Lands and hereby consents to the registration of this Agreement on title to any part of the Lands of which the Developer is the owner at the time of execution of this Agreement. The Developer agrees to provide a complete and accurate legal description of the Lands to the Township and to execute all further documents as may be necessary to register this Agreement against the Lands.

The Developer acknowledges that it has voluntarily entered into this Agreement.

12. Time of Essence

Time shall be of the essence in this Agreement.

13. Amendments Only in Writing

No modification, variation, amendment or termination by mutual consent of this Agreement, and no waiver of the performance of any of the responsibilities of the Parties shall be effective unless such action is taken in writing by instrument or document executed by the Parties, excepting that the foregoing shall not apply where an express provision of this Agreement permits such modification, variation, amendment or termination pursuant to any other means, and in such instance the said provision shall apply. All representations and understandings of the Parties with respect to the Lands and the subject matter of this Agreement are contained in this Agreement, and there are no other representations or understandings between the Parties. This Agreement supersedes any and all prior agreements and understandings between the Parties with respect to the subject matter of this Agreement.
