**The Purpose** of the proposed zoning bylaw amendment application is to allow for the conversion of the existing outside storage to inside storage. The existing shed will be converted to storage for the existing shop. The outside storage area will be reduced so that the total combined storage complies with the Official Plan requirements. The existing shop is 647m<sup>2</sup> and the outside storage is 549m<sup>2</sup>.

**The Effect** of the proposed zoning by-law amendment would be to change the zone provisions on the subject lands to permit an existing shed to be used for storage of material within the existing Agricultural Exception A1-293 zone (A1-293). Any Environmental Protection Zone Boundary may be adjusted based on Conservation Authority comments.
