Subject: RE: C16-21 and OPA2-21 Notice of Public Meeting

Good morning Elisha,

The subject lands do not contain any features of interest to the GRCA. Consequently we have no objection to either the C16-21 and OPA2-21 applications. Since the subject lands are not regulated by the GRCA, no permit from our office will be required for the proposed development.

A copy of our mapping is attached for reference.

Kind regards,
Laura
