#### Interpersonal skills:

Extending common courtesy; handling complaints, working cooperatively; responding to basic needs or requests; identifying needs; advising.

#### **Communications:**

Communication with the public occurs occasionally both in person and on the phone. Communication can often be negative in nature because of complaints and negative feedback from the general public. Regular communication occurs with internal and external contacts. Negotiating skills are used regularly to resolve matters harmoniously between many groups.

#### 6) Decision Making

The Deputy Fire Chief must be self-governing, making many decisions on his own, within the framework of the municipality's policies and procedures, the Fire Protection and Prevention Act and the Operational Guidelines of the Fire Department. Decisions must be made very quickly and involve interpreting and analyzing various factors. The Deputy Fire Chief is responsible to advise the Fire Chief on a regular basis of any major decisions made.

#### 7) Problem Solving Responsibilities

Analyze, evaluate and determine a solution based on the policies in place.

#### 8) Equipment & Technology Utilized

Computer, fax machine, photocopier and radio communications equipment. Working knowledge of fire suppression and emergency equipment.

## **Section C: Responsibility**

#### 1) Program Delivery

Supports the delivery of Administration programs as outlined in the Program Delivery section of this job description under General Responsibilities sub-section.

Acts as a working Fire Chief for emergency response calls in the absence of the Fire Chief.

#### 2) Impact and Accountabilities

Responsible for the financial expenditures of donations made to the fire department and care, control and management of a bank account as a signing authority with the Fire Chief.

Operational errors result in public health and safety risks, increased likelihood of property loss, injuries, or fatalities, and additional costs, lost revenue, lost credibility and the public's faith in the Municipality's ability to provide adequate services.

Failure to comply with legislative requirements or to demonstrate due diligence may result in increased municipal exposure to liability and/or fines from government enforcement agencies.

#### 3) Supervision

Direct Subordinates – Job Titles	Number of Staff
Fire Prevention Officer	1
Captains	5

Indirect Subordinates – Job Titles	Number of Staff		
N/A			
Total			
Provides training/instruction to others – Job Titles	Number of Staff		
Volunteer Firefighters	<ul> <li>Up to 30 volunteer staff; and</li> <li>Recruit training volunteer staff</li> </ul>		

#### 4) Material and Information Resources

- Maintain accurate information, data and records related staff and incident responses.
- Has access to private customer information and confidential employee records.

#### 5) Financial Resources

- This position has access to confidential financial information related to **staff payroll**, billing for fires and donations.
- Assist the Fire Chief with budget preparation and recommendations on equipment replacement.

## **Section D: Working Conditions**

#### 1) Physical Environment

Rate the amount of each of the following working conditions that you are exposed to on the job from a scale of 1 to 5, where 1 represents no exposure, 3 represents some exposure and 5 represents continuous/regular exposure.

Condition	1	2	3	4	5
Sitting			Х		
Standing			Х		
Noise Exposure				X	
Adverse Temperature			Х		
Pushing/Pulling			Х		
Lifting/Carrying			Х		
Dust		Х			
Odours		Х			
Other (Specify) Physical Aspects (Smoke)			Х		

#### 2) Health & Safety Hazards

#### **Physical Environment – physical surroundings & hazards**

#### (a) **Physical environments**

During emergency calls, the physical environment can be very hot or cold.

#### (b) Exposure to hazards During emergency calls, the physical environment has high potential to be hazardous and toxic. Driving conditions may be hazardous during winter months.

### (c) Risk of injury

During emergency calls, chance of injury is medium risk.

#### Health and Safety Responsibilities

Responsible for performing duties in a Health and Safety conscious manner.

#### 3) Travel

- May be required to travel within the Township to the municipal office and for outside training courses or seminars on an infrequent basis.

#### 4) Driving

- Use of personal vehicle for travel to emergency calls and training courses.

#### 5) Mental Environment

#### Contact with Public

Contacts from the public occurs during fire prevention and public education. Complaints and negative feedback are received and must be managed appropriately.

#### On Call

Emergency calls may be received at any time during the day or night. Hours of work can often be unpredictable and hours will be required to be flexed in order to meet the demands of the job. The Deputy Fire Chief is on call at all times in the absence of the Fire Chief unless covered by a Captain.

#### Deadlines

Deadlines for incident reports

# **Section E: Effort**

#### 1) Mental Effort

Concentration is required when preparing detailed reports.

#### 2) Physical Effort

Must have good stamina to be able to conduct activities that require effort, such as occasional lifting, twisting, bending, climbing ladders and being elevated to high heights during incidents.

There is regular driving between locations and to emergency calls.

## Section F: Additional Information

- Respond to emergency scenes when required and assume command of emergency situations when necessary, in the absence of the Fire Chief.
- Other duties as assigned

The Township of Southgate is an equal opportunity employer. Accommodations are available for all parts of the recruitment process. Applicants need to make their needs known in advance. This document can be made available in other accessible formats as soon as practicable and upon request.
