Staff Report FIN2021-041

Title of Report: FIN2021-041 2022 Budget

Department: Finance

Council Date: December 8, 2021

Recommendation:

Be it resolved that Committee of the Whole receive Staff Report FIN2021-041 2022 Budget as information.

Background:

Municipal Act, 2001 s. 290(1) requires a municipality shall:

"prepare and adopt a budget including estimates of all sums required during the year for the purposes of the municipality, including,

(a) amounts sufficient to pay all debts of the municipality falling due within the year".

On December 16, 2009, Council approved Tangible Capital Assets Policy #28. The treatment of tangible capital assets is intended to be in accordance with the Public Sector Accounting Board (PSAB) PS3150. Required studies and other initiatives that relate directly to the acquisition of a tangible capital asset shall be capitalized. If the study/initiative does not relate directly to the acquisition of a tangible capital asset, then the expense shall be recorded in the year in which they occur.

On June 16, 2021, Council received Staff Report FIN2021-019 Asset Management Plan 2021 and approved Bylaw 2021-084, being a by-law to adopt Asset Management Plan 2021 (AMP). The AMP adopted met the Province of Ontario legislated requirements for all municipalities to "refresh" their existing Asset Management Plans (AMP), but under specific guidelines spelled out in Ont. Reg. 588/17. Among several new guidelines is the requirement for a section of the AMP that deals with Climate Change, for example. The initial version of the AMP is limited to Core Assets. The AMP noted that at the current funding level, Southgate's infrastructure gap (I-Gap) is still growing, based on core asset alone. The next AMP update will be to expand the plan to include all capital assets.

On October 6, 2021, Council received Staff Report FIN2021-030 2022 Budget which contained a proposed timeline for the budget process as follows:

On November 10, 2021, Council received Staff Report FIN2021-034 2022 Budget which contained the detailed 2022 Budget 10 year Capital and Special Projects plans.

On November 23, 2021, Council received Staff Report FIN2021-037 2022 Budget which contained the detailed 2022 Budget 10 year Capital and Special Projects plans for further discussion.

Staff Comments:

The draft 2022 Budget is provided as Attachment 1.

The draft 2022 Capital budget detail is provided as Attachment 2.

The draft 2022 Special Project budget detail is provided as Attachment 3.

The draft 2022 Budget Schedule of Reserve, Deferred Revenue and Reserve Funds, and the projected 2021 Schedule, is provided as Attachment 4, which have been updated for the operating budget impacts.

Financial Implications:

The draft 2022 Budget has a requirement from taxation of \$8,661,740, an increase of \$671,439 from the 2021 level.

Staff has a preliminary estimate of a 1% increase in the blended tax rate of \$134,207 (2021 - \$130,758), assuming a 2% increase in the County tax rate and a no change in the Education Tax Rate.

The increase of \$671,439 would result in approximately a 4.8% increase in the 2022 blended tax rate distributed as:

	Levy Increase		Growth		Tax Rate	Funded	Estimated Blended Tax Rate Impact
Operating	\$	381,919	\$	111,443	\$	270,476	2.7%
Special Projects	\$	68,930	\$	20,114	\$	48,816	0.5%
Capital	\$	220,590	\$	64,368	\$	156,222	1.6%
	\$	671,439	\$	195,924	\$	475,514	4.8%

The 2022 Budget assumes a cost of living increase of 3% or \$116,062 and merit increases of \$74,751, and the addition of new FTE's (Administration, Finance & Bylaw Assistant [as already approved by Council], By-law Enforcement Officer, Library Digital Services, and an Operator/Labourer).

Due to the retirement of the CAO in 2022, the budget anticipates the overlap of the position for a period of 18 weeks. The cost of \$62,000 is proposed to be taken from the tax stabilization reserve since it is a one-time cost.

For Winter Maintenance, the budget anticipates a decrease in the requirement of taxation due to the proposed use of the winter maintenance tax stabilization reserve of \$41,754
