**2022 Good Roads
Conference Rescheduled to
April 10 – April 13, 2022**

Since 1894, Good Roads has brought together municipal leaders to connect with one another, while looking ahead to the ideas and innovations that will shape tomorrow. We know that there is no replacement for meeting in-person. This is why we

made the decision to return to in-person in 2022.

To keep this commitment, we have rescheduled the 2022 Conference.

The 2022 Good Roads Conference will be held Sunday, April 10 – Wednesday, April 13, 2022 at the Fairmont Royal York in Toronto.

You can view the agenda, register and book your hotel stay via www.OGRAconference.ca.

Expect the same great program, but with a few enhancements.

Please stay tuned to our website, subscribe to emails and our social channels for updates.

We look forward to seeing you in Toronto.

Sincerely,

Scott Butler
Executive Director
