Re: Application for Permission No. 940/21, Pursuant to Ontario Regulation 150/06

The Grand River Conservation Authority approved your application on November 2, 2021. The permit and attached schedules are enclosed. The schedules form part of the permit and describe the work as approved by the Grand River Conservation Authority. Any changes to these plans must be reviewed and approved by Grand River Conservation Authority staff.

Please note that this permission is based on existing information, policies, and practices, and does not bind nor imply that any other permission will be forthcoming. Please review when the permit expires (maximum is 2 years) and keep a copy of the permit on-site.

If you have questions regarding this letter or the conditions described on the permit, please contact Laura Warner, Resource Planner, at (519) 621-2763 ext. 2231.

GENERAL CONDITIONS OF PERMIT

1. This permit does not absolve the permittee of the responsibility of obtaining necessary permission from applicable federal and provincial agencies or local municipalities.
2. The permittee agrees by acceptance of the permit:
 - (a) to indemnify and save harmless, the Grand River Conservation Authority and its officers, employees, or agents, from and against all damage, injury, loss, costs, claims, demands, actions and proceedings, arising out of or resulting from any act or omission of the permittee or of any of his agents, employees or contractors relating to any of the particular terms or conditions of this permit.
 - (b) that this permit shall not release the permittee from any legal liability or obligation and remains in force subject to all limitations, requirements and liabilities imposed by law.
 - (c) that all complaints arising from the proposed works authorized under this permit shall be reported immediately by the permittee to the Grand River Conservation Authority. The permittee shall indicate any action which has been taken, or is planned to be taken, with regard to each complaint.
 - (d) to provide certification of conformance to ensure compliance with the intent of the permit. This certification must be provided by an accredited professional and is to be submitted as may be specified in the permit.
3. Authorized representatives of the Grand River Conservation Authority will be granted entry at any time into lands and buildings which are the subject of this permit application in order to make such surveys, examinations, investigations, inspections or other arrangements which such representatives deem necessary.
4. The Grand River Conservation Authority may cancel this permit or may change any of the conditions at any time and without prior notice if it is determined that:
 - (a) the works are not in conformance to the intent of the permission granted;
 - (b) the information presented to obtain a permit is false;
 - (c) the works or method of construction have detrimental impacts on the environment.
5. This permit shall not be assigned (non-transferable).
6. Permits are valid for two years. No notice will be issued on expiration of the permit and it is the responsibility of the permittee to ensure a valid permit is in effect at the time work is occurring.
7. The Grand River Conservation Authority may make copies of Schedule A, as required, for the purposes of assessing the proposal and, where approved, to form part of the permit issued.
