A site walk was completed on November 18, 2021 with C.F. Crozier and Associates and Triton Engineering to review the items outlined in this letter. An area of surface asphalt in the vicinity Werry Ave. and Hagan Street was identified as being segregated. We have requested a report from the Geotechnical Engineer and recommend this area be monitored through the maintenance period. Any remedial measures required will be completed prior to Assumption.

On behalf of the Owner, Flato Dundalk Meadows Inc, our firm respectfully requests that the Township sign off on the commencement of the one-year guarantee period as described in Article 5.12 of the Subdivision Agreement.

If there is any additional documentation or clarification required, please do not hesitate to contact our office.

Thank you for your prompt attention to this request.

Yours truly,
