REVIEW & RECOMMENDATION
OUR FILE: A4154A

Dear Mr. Milliner:

Further to the request and supporting documents from Crozier & Associates (Crozier) dated November 29, 2022 (attached) and based on site inspections completed by Triton Engineering Services Limited, Crozier and Municipal staff, we have confirmed the provided security summary for the Flato Developments within Dundalk.

Based on this, we recommend that the current securities held by the Township be reduced to **\$4,745,670.99**

Security adjustments are subject to the Township confirming that all outstanding accounts with respect to the various Flato Developments have been paid in full and that the Developer is not in default of their obligations pursuant to its agreements(s) with the municipality.

We trust that this information is satisfactory and should you have any questions, please do not hesitate to contact the undersigned.

Respectfully,

SECURITIES REDUCTION REQUEST
TOWNSHIP OF SOUTHGATE**

Dear Dave,

Please consider this letter as a formal request that the Township of Southgate grant a securities reduction for the Flato North Phases 2a and 3 based on completion of work and staged approvals recently granted in the Edgewood Greens Subdivision.

On behalf of the Owner, Flato Dundalk Meadows Inc, our firm respectfully requests that the Township release \$373,934.97 from the Flato North Phase 2a & 3 development as this file has more in posted securities than is required.
